

# Do you care for someone who is on the Autistic Spectrum?

Then ASC for Tea (Formerly ASD for Tea) might be of interest to you

This group is an opportunity to meet other parents/family carers of a child or young person with Autism in North London. Parents receive practical advice and information about day-to-day situations as well as on disability benefits, social care, education and signposting. ASC for Tea is an informal group which provides a relaxed and inclusive atmosphere for parents to share tips and advice on issues they and their cared for face. For the second part of the meeting, we invite professionals in to talk about their services and to support parents in specific areas
