

Do you look after an adult family member with a learning disability?

Are meetings difficult for you to attend?

Please feed in your ideas by email, telephone or post before the meeting.

We want to grow a strong voice for carers in Camden, a voice that will be listened to by the council when they design and deliver services, and for that we need to hear your ideas and experiences.

- A chance to discuss the issues that are important to you
- A unified and powerful voice for carers
- Hear about what the Council has been doing and feedback to them about your experiences
- An opportunity to influence the planning, development and delivery of services

Dates for 2018

- **Wednesday 31st January 2018**
- **Wednesday 21st March 2018**
- **Wednesday 16th May 2018**
