care for someone who is on the Autistic Spectrum?

ASC for tea

come join our group!

- ASC For Tea is an informal group which provides a relaxed and inclusive atmosphere for Islington parents and family carers to share tips and advice on issues they and their cared for face.
- Receive practical advice and information about day-to-day situations, disability benefits, social care, education and signposting.
- Hear from professionals about their services and how to support parents and family carers.
