

Here are some examples! We think yours can be even more **colourful** and **bright**.

Draw some **pictures** and write some kind **words**.

What **materials** can you use? Maybe some pencils, pens, paints, chalk or it could be a collage.

Use whatever you have and be **creative!**

Send a picture of you and your poster or just your poster to AliceB@Centre404.org.uk and it will be posted on the **website** for everyone to enjoy!
