

Poem

A poem can be a creative way to express your feelings, thoughts and ideas.

We would love for you to write a poem about what Centre 404 means to you. What do you enjoy the most? What memories do you have? What's the best part about coming to Centre 404?

Write a poem and email it to us!

There are lots of **different types** of poems...

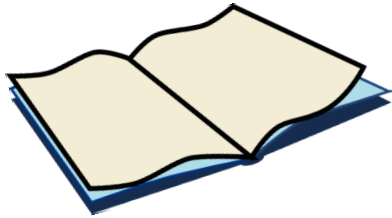

Some of them **rhyme!**

Some are **funny!**

They can be **long** or **short**

Try an **acrostic poem**: spell out a word and use the letters to start each line...

For example... **Put** three words

On each line

Easy if you

Make it rhyme

Some use **similes**: comparing one thing to another that is often introduced by **like** or **as**, e.g. as brave as a lion

Use **emotive language**

Use lots of **adjectives**: describing words help the reader imagine what you are writing about

Have **fun!**

There are no rules!! You can write your poem however you want to. We'd love for them all to be different.

Don't forget to send your poem to AliceB@Centre404.org.uk and we will post them on our website Blog page!

Enjoy!
