What is a Parent Carer Forum?

We are a group of parents that meet every two months and welcome new members:

- We keep parents informed on SEND news nationally and locally
- We provide information days, training and workshops for parents
- We work with council officers and local services to improve the delivery and quality of services for children with SEND in Islington
- We enable parents to make their views known to service providers and council officers and strengthen partnerships between them
- We provide feedback on board meetings we attend
- We elect representatives on to key decision-making groups in Islington and represent parent carers' views at strategic meetings and boards

“Do nothing about us, without us”

How being part of the Islington Parent Carer Forum will help you

Find out what you are entitled to and what services are available for you and your child:

Keep up-to-date with the changes to Local and National SEND Services.

Know your rights!

We will inform of yours and your child's rights and entitlements

Accountability - Who to contact if there is an issue:

We bring professionals to explain their plans to change and develop SEND services.

Improve the quality of SEND services In Islington:

We support you to participate in developing good practice on service procedures and in challenging bad practice when necessary.

Supporting Environment:

Meet people in similar situations to yourself, share experiences and get tips and advice.

Have your voice heard!”
