Supporting Families Team

Supporting people with learning disabilities, autism & their families

What does the Supporting Families team do?

We support family carers of people with learning disabilities and/or Autism with subjects such as:

- Helping understand disability related issues.
- Giving information and advice to help people access the right services.
- Giving information and support around applying for welfare benefits, disability benefits and grants.
- Signposting on to other services.

Support Groups, Workshops and Activities

We run regular coffee mornings for family carers. We run workshop and information sessions on topics relating to learning disabilities and autism. We also support two important forums for Islington Residents: The Islington Parent Carer Forum and the Family Carers Action Group.
